BEAUTY ROAD TEST

## Turn Up the Volume

**There's hope for fine, flat, and thinning hair!  
Whether you want to fill in skimpy spots or boost thickness,  
our product picks can transform your strands.**

### BEST SPLURGY SERUM

#### **Revivv for Her 3 Month Hair Rejuvenation Serum**

The recommended twice-daily use doesn't seem like homework, because the cooling rollerball feels so good. It deposits caffeine, copper peptides, and camellia extract to boost puny locks.

**BEST SHAMPOO & CONDITIONER**

**GrandeHair Full Boost Shampoo and Conditioner**

Thickening suds don't have to be boring or medicinal-seeming—this bright duo starts your routine off with some fun. Grapefruit extract and ginseng exfoliate and cleanse the scalp, while rice protein and sunflower microgreens reduce breakage. Rub, rinse, repeat, yay! \$28 each; [ulta.com](http://ulta.com)

**BEST SPRAY**

**Veri Full Hair Tonic**

Created by a dermatologist and two cardiologists, this spray uses nitric oxide to improve blood flow and circulation, resulting in thicker hair (by up to 16%) in 24 weeks. \$48; [veriskincare.com](http://veriskincare.com)

**BEST FOAM**

**RevitaLash Cosmetics Volume Enhancing Foam**

A few pumps massaged into wet or dry hair will have it looking better in a jiffy, thanks to lipids, biotin, and panthenol (a form of vitamin B5). \$152; [revitalash.com](http://revitalash.com)

**BEST BUDGET SERUM**

**Dove Scalp + Hair Therapy Fullness Restore Scalp Serum**

Powered by peptides, it plumps each strand, upping overall density. The dropper minimizes mess. \$10; [amazon.com](http://amazon.com)

**BEST SPLURGY SERUM**

**Reviv for Her 3 Month Hair Rejuvenation Serum**

The recommended twice-daily use doesn't seem like homework, because the cooling rollerball feels so good. It deposits caffeine, copper peptides, and camellia extract to boost puny locks. \$160; [reviv.co](http://reviv.co)

**BEST QUICK FIX**

**Toppik Hair Filler Volumizing Micro-Fibers**

Shake the fibers (in four shades) along your roots to fake fullness. A static charge keeps them in place—they're even water and sweat resistant. \$25; [toppik.com](http://toppik.com)
